Newsletter of the

CAMERA CLUB of RICHMOND

January 2015

President's Corner

I would like to start the New Year off by thanking all the new board members for volunteering their time to support a great club. We have hit the ground running and are already working on several tasks. The board has already approved the purchase of a new screen for the club. It will be a matte white screen which will be 84"x84". Hopefully we will have this for the first meeting in January. We expedited this purchase since the hotel will charge us to rent their screen starting in January. We are also looking at upgrading the laptop in the near future.

I will keep everyone up to date on what the board is doing and what we have planned for the year. Our first board meeting will be on January 21st. We will be selecting the assigned subject topics at this meeting. If you have any great ideas for a topic, please email me before the board meeting. We already have a few suggestions. We will also be discussing changes to the website. We will begin to look at activities and education opportunities for the year. All members are encouraged to send comments and suggestions to the board (email or call any board member). We have a lot of fresh ideas, but would like to hear more from the members. And speaking of hearing from the members, we will be doing a member survey that will be done online and will be anonymous. We'll provide more information on this in the near future. I encourage you all to participate as this will guide the board in our decisions for 2015.

The first general meeting of the year will be on January 14th and will feature a presentation by Mike Ostrander and a talk about his trip on the James, as well as the eagles that he loves. Billy has more information in his VP report below.

Our January Padow's exhibit will feature winners from the annual competition. An email regarding this has already been sent to those who were selected. Upcoming Padow's exhibits will be selected by a jury as we did in 2014. We have three of our members who will be assisting WCVE by being the official photographers for the Downton Abbey event at the Altria Theater (I still call it the Mosque) on January 2. This has become a big event as they have moved it from the Byrd (2014) to the Altria Theater (2015). This should be fun for Downton Abbey fans. It is open to the public if you are interested in going. Information is on the WCVE website: www.ideastations.org/downton.

Our goal as a board is to provide the members with opportunities to improve their photography and showcase their work. The club also offers the

opportunity to meet and interact with people who have the same interests. There are a lot of benefits to the club and we hope to improve the experience for all the members.

Lastly, I would like to thank Karen again for her years of service on the board and her three years as president. She gave a lot to the club and we all greatly appreciate it. Hopefully she can relax this year and just enjoy taking pictures.

VP Corner

For our January 2015 meeting we are very fortunate to have Mike Ostrander as our guest speaker. Most of you will know him as Capt. Mike who runs boat tours on the James to view eagles and other wildlife along the river. Mike is going to share with us the experiences he had discovering the historic James via a canoe trip he took this past year starting at the headwaters and following the course of the river. He also will talk about bald eagles, osprey and sturgeon on the river.

Trained in 1997 by the Department of Game and Inland Fisheries as an Angling Instructor, Capt. Mike now operates Discover the James and the James River Fishing School. In 2001 he attained his USCG Captain's License to include the tidal James, and in 2012 achieved his Master's Captain's license and is also currently the Captain of the James River Association's "Spirit of the James", a 40 foot educational pontoon boat located at Jordan Point in Hopewell, VA.

He is a recipient of the "Steward of the James" award, presented by the James River Advisory Council, and named a "River Hero" by the Friends of James River Park. Please visit his website at: www.discoverthejames.com for more information about wildlife and history tours (all great photographic opportunities).

Our February meeting will be an evaluation night, and Anthony Rumley has graciously agreed to be our evaluator. Anthony provides insightful, constructive comments based on his extensive career as a professional photographer.

Editor's Corner

On December 6th the 3rd annual Nutzy's Rotary Funn Run took place. This is a 5K race benefitting local children's charities: UMFS and the Children's Museum of Richmond Book Bank. CCR was represented by a dozen photographers who added great photos to this great event. A small sample of the pictures are below.

The Rotary Club of West Richmond, the Richmond Flying Squirrels, and the Dominion Christmas Parade have established what is a holiday tradition for competitive- and not so competitive - runners and families alike! Runners, walkers, kids and parents with strollers picked up their tickets as a pre-race party the night before, and then, the next morning, took off from the Diamond at 8:00 a.m. to trek the Christmas Parade route. Funn Runners returned to the Diamond for the Finish Line Party and Funn Costume Awards. I hope they ask us to help them out again next year.

An Event Worth Noting

Dominion GardenFest of Lights: A holiday tradition featuring more than half-a-million twinkling lights, hand-crafted botanical decorations, model trains, holiday dinners, firepit with s'mores and hot chocolate (for purchase); nightly family activities & more. The region's ultimate holiday extravaganza. It wonderful. There is a slide show on the web site <http://www.lewisginter.org/news/media-room/DominionGardenFestofLights2012.php> and I offer a few pictures I took there last week. Go before it disappears for another year.
